THE PLAN

Park in front of the Vice City sign in Wynwood and shoot the group photo right there. Then follow the lead car north on I-95 and the Turnpike, regroup at the Wawa in Plantation, and arrive together at The Colonnade around 9:30, well before doors at 11. The 15 display cars follow the lead car inside to stage in the FLD display. Everyone else parks and walks in with their VIP wristband.

WHAT YOU'RE LOOKING FOR

THE VICE CITY SIGN · WYNWOOD

2301 NW 6th Ave, Miami, FL 33127

NW 6th Ave & NW 23rd St, right beside I-95

By day it's a pink **"Vice city"** script on black steel posts above a long graffiti wall with a cartoon character in a blue hat. It's on the **east side of NW 6th Ave, just north of NW 23rd St**, and you can see it from I-95.

- **Not** the "Welcome to Vice City" sign on the Kaseya Center roof, and not the Vice City murals on NW 26th St.

SIGN IN MAPS

SEE THE SIGN

ARRIVE 7:00 - 7:30 AM

PARK ON THE STREET, IN FRONT OF THE SIGN

- **Come early to get a spot.** Park at the curb along the sign wall on NW 6th Ave, facing north and ready to roll. If that curb fills up, use NW 23rd St right beside it.
- **Park legal:** don't block driveways, fire hydrants or crosswalks, and follow the posted parking signs.
- **Expect to pay a meter, Sunday included.** Wynwood street parking is run by the Miami Parking Authority. Pay in the **PayByPhone** app with the zone number on the nearest sign.
- **Street full?** Overflow is the Mana Wynwood lot, 318 NW 23rd St (3 blocks east, paid, pay on entry). We'll post in WhatsApp if we need it.

7:35 - 8:15 AM · BRIEFING, PHOTOS, ROLL

PHOTOS UNDER THE SIGN

1. **7:35 · DRIVER BRIEFING**
   At the lead car. Route, tolls, groups of 5, sweep car, regroup, and what to do if you get separated.
2. **7:40 – 8:05 · PHOTOS**
   Cars stay parked in a line under the sign. Photographers shoot from the sidewalk, never from the street.
3. **8:15 · ROLL OUT**
   Straight from the curb, north on NW 6th Ave toward I-95 North. Follow the lead car.

Photo tip: the morning sun is low in the east, behind the sign, so shoot along the sidewalk at an angle instead of straight on.

BEFORE YOU LEAVE HOME

- **Eat breakfast before you arrive.** There's no food stop before the Colonnade.
- **Fuel up.** Below a quarter tank? Top up at the Wawa regroup.
- **SunPass / E-PASS** in the car, or accept Toll-By-Plate. The Turnpike has no cash booths.
- **Phone charged**, WhatsApp open, PayByPhone app installed for the meter.

05 · THE ROUTE

GETAWAY PATH

About 32 miles. Plan on about 45 minutes from the sign to the Wawa regroup as a convoy on a Sunday morning, then about 15 minutes to The Colonnade.

1. **US 441 FROM THE CURB · NW 6TH / 7TH AVE NORTH**
   Pull out from in front of the sign and head north to the I-95 North on-ramp near NW 62nd St.

2. **I-95 NORTH TO GOLDEN GLADES**
   Keep LEFT for Florida's Turnpike North.

3. **TPK FLORIDA'S TURNPIKE NORTH · TOLL**
   Stay in the right two lanes. Exit to I-595 West.

4. **I-595 WEST TO PINE ISLAND RD**
   Take the Pine Island Rd exit, then go north about 1.3 mi.

5. **REGROUP · WAWA AT W BROWARD BLVD**
   SE corner of Pine Island Rd & W Broward Blvd.

6. **BROWARD BLVD W · FLAMINGO RD N · SUNRISE BLVD W**
   W Broward Blvd west, N Flamingo Rd (SR 823) north, W Sunrise Blvd (SR 838) west into Sawgrass Mills Circle and The Colonnade.

7. **ARRIVAL · THE GROUP SPLITS IN TWO**
   Display cars keep following the lead car to the display entrance. VIP guests break off to The Colonnade garage. See The Colonnade below.

Tolls: the Turnpike is all-electronic with no cash booths. Bring an active SunPass/E-PASS, or you'll be billed by plate. The route skips the Sawgrass Expressway, so that's the only toll road.

REGROUP STOP · ~9:00 – 9:15 AM

WAWA · PINE ISLAND & BROWARD

100 S Pine Island Rd, Plantation, FL 33324
SE corner of Pine Island Rd & W Broward Blvd

- **15 minutes: fuel, restrooms, headcount.** Below a quarter tank? Fuel here.
- **Spread out** across the pumps and parking. Don't block the fuel lanes.
- Low cars: take the apron **slowly and at an angle**.
- **Line up for the arrival:** the 15 display cars right behind the lead car, VIP guests behind them. We leave at **9:15**.

Toll-free fallback: stay on I-95 N to I-595 W. It's 2–3 mi longer with heavier, faster-merging traffic, so we use it only if the lead calls it.

06 · THE LEAD CAR

LEAD CAR · EYES UP

FOLLOW THE LEAD CAR

The lead car sets the pace, picks the lane and calls the exits. Don't pass it, don't lose it. You'll meet it at the driver briefing at 7:35, right at the sign.

HAZARDS = STOPPED

07 · THE CREW

CONVOY ORDER

1

LEAD CAR

Sets the pace and the lane, and takes the display cars to the display entrance on arrival. Exit calls go in the WhatsApp group.

2

GROUPS OF 5 · YOU

Each group has a leader. Display cars up front, VIP guests behind. Hold your spot, keep a safe gap.

3

SWEEP · FLD CREW

Last car in line. Nobody drops behind it; if you stop, sweep stops with you.

08 · RULES OF THE ROAD

SPIRITED, NOT RECKLESS

01 **EAT BREAKFAST FIRST**

Eat breakfast before you arrive. There's no food stop before the Colonnade.

02 **OBEY EVERY LAW, NO RACING**

Posted limits, signals, lanes. No pulls, takeovers or brake-checking. Don't run a red to keep up; we regroup at the Wawa.

03 **QUIET IN WYNWOOD**

It's a residential area early on a Sunday. No revving, launches, burnouts or exhaust pops at the sign or when we roll out.

04 **PARK LEGAL AT THE SIGN**

Curbside only. Don't block driveways, hydrants or crosswalks, follow posted signs, and pay the meter in PayByPhone if it's signed.

05 **CAMERAS STAY ON THE SIDEWALK**

Photographers and spectators never stand in the street to shoot.

06 **GROUPS OF 5, ONE LEAD, ONE SWEEP**

Nobody passes the lead car or drops behind the sweep car.

07 **RIGHT TWO LANES, SAFE GAPS**

On the Turnpike and I-595: no lane weaving and no express-lane splits.

08 **HAZARDS = STOPPED OR IN TROUBLE**

Florida law limits hazards while moving. If you pull over, get fully onto the shoulder, hazards on, post in WhatsApp; sweep stops with you.

09 **TANK AND TOLLS**

Tolls are electronic: SunPass/E-PASS or Toll-By-Plate. Below a quarter tank at the regroup? Fuel at the Wawa.

10 **LOW CARS: ANGLE IT**

Take every curb cut, driveway and gas-station apron slowly and at an angle.

11 **LIVE LOCATION ON**

Share WhatsApp live location from roll-out until arrival. Passengers handle the phone, not drivers.

12 **SEPARATED? DON'T CHASE.**

Head to the Wawa (100 S Pine Island Rd) and post in WhatsApp. After 9:15 AM, VIP guests go straight to The Colonnade garage. Display cars post in WhatsApp, and the FLD crew will guide you to the display entrance.

09 · THE JACKPOT

THE COLONNADE

> **ARRIVAL ~9:30 · TWO WAYS IN.** ***Everyone convoys together from Wynwood to Sawgrass Mills. When we get there, the group splits.***
